Elpromotions Web Design Stage 1 Approvals

Page	Issue	Screen Shot					
Home	Please make all menu items CAPITALS (like you did before) example https://top-model.cmsmasters.net						
HOME	Add GET A QUOTE button as per elpromotions.co.uk home page and link to Get A Quote Page. Button white - writing black						
WEBSITE	Make paragraph / main text colour dark grey. Black looks too strong compared to example https://top-model.cmsmasters.net						
WEBSITE	Match button font size as per example across the whole site (not on black background then button can be grey/white)						
HOME/LATEST NEWS	Match font colour (Dark grey across the site/ paragraph including this one) https://top-model.cmsmasters.net. Remove the date from all cornerstone blogs (homepage only) and add in TAGS so Top, Make up, News etc. so that if I do a blog post and I put in tags, they will show up as per here. https://top-model.cmsmasters.net Tag colour = gold						
WEBSITE	Remove/bold/strong fonts across the site and match https://top-model.cmsmasters.net						
HOME/SERVICES	Can I please customise services buttons and send different icons?						
HOME	REMOVE PLEASE						
HOME/WHAT OUR CLIENTS SAY	Can I change to my own background and can I edit?						
INSTAGRAM	Remove Instagram blue button, it should just click to instagram. Button not needed. Can the posts be displayed like this https://toofacedlondon.com/#1-insta-feed						
CLIENT LOGOS	Can I add client logos and links in myself?						
HOME/FOOTER	Looks great! However move everything to the right so that all links (what you had before will fit in) - separate with a line if needed	we still need 2 columns of links (they help with SEO)						
HOME/FOOTER	Add social media icons back in (Instagram, Facebook, Pinterest, Twitter, Linked In)						
BUTTONS	Match all with https://top-model.cmsmasters.net/about-us/ Button Black - Text white - Hover over - Grey/ White						
MAIN MENU	Main menu - CAPITALS - Sub Menu - small letters						
MODELS	http://nexatheme.com/elpromotions/models/?filter_gender_9a2ac=Female&filter_Country_9a2ac=UK - match the font style/type on model search bar too including the button						
MODEL AGENCY IBIZA	Not linking to the right page. MODELO AGENCIA IBIZA - http://nexatheme.com/elpromotions/modelo-agencia-ibiza/ but MODEL AGENCY IBIZA should link to https://elpromotions.co.uk/model-agency-ibiza/						
HEADER	Make the header winder so you can fit in GET A QUOTE Phone number UK one) and email address (info@ (Call to action) info from: https://elpromotions.co.uk / placement example https://www.mashstaffing.com/uk/ (replace social media icons with GET A QUOTE BUTTON)						
Add to homepage footer	+44 (0) 333 011 5453						
	info@elpromotions.co.uk						
	Add icons https://www.exhibition-girls.com as example (grey and white icons) + move menu to the bottom of the banner and contact + get a quote above the CONTACT menu item etc so it aligns in the corner
